

Welcome to Ms. Cathy Shockley's Class

I have had the pleasure of working here at Creative Montessori Academy for twelve years. Previously, I taught first through ninth grade with the Detroit Public School System. I have graduated from Eastern Michigan University with a Master's Degree in Early Childhood Education with my ZA endorsement. I also have my Bachelor's of Science as well as my Montessori 0-5yrs certification along with Michigan's Teaching Certificate. Helping in my classroom is my assistant Mrs. Dawn Loveday who also has her Montessori Certificate. Together we make a great team and really enjoy introducing new students to Montessori.

I know this is a new beginning for you and your child and many things may be unfamiliar to you. Please feel free to call me at 734-284-5600 X115 or stop in the talk to me after school.

Homework will go home each Friday in your child's red folder and is expected back the next Monday. Additionally, reading books will be sent home for extra practice at times.

Happy Reading,

Ms. Cathy
