

Students/Parents:

Welcome to our 4<sup>th</sup>, 5<sup>th</sup>, and 6<sup>th</sup> Levels Classroom. I am Mr. Parent and our TA is Ms. Cranford, who is also a certified teacher.

Our goals are to enhance, enrich, and expand the learning process, attitude, and ability of each of our students. We believe that children at these ages and academic levels are able to learn responsibility as students and young adults. They are responsible for learning by doing their class work, completing homework/projects when required, and asking for help when needed. They are responsible for their behavior and attitudes as well as their social interaction skills. This can only happen if we work together as a team to help our students achieve these goals.

We are available for scheduled appointments before regular school hours: 7:30 am. – 7:45 am. and immediately after school, 3:00 pm. – 3:30 pm.

Subjects for discussion during Parent Orientation are:

1. School dress code-strictly enforced in this classroom
2. Homework policy / grading policy / snacks
3. Daily planner responsibility and requirements of parents' initials
4. Classroom supply list
5. End of the year field trip to Lansing-Capitol Building/Higgins Lake

We look forward to meeting the new students/parents as well as continuing the relationships with those students/parents returning to Creative Montessori Academy.

Sincerely,  
Mr. Parent/Ms. Cranford
