

Dear Parents,

Welcome to Room 256, 4th – 6th grade classroom. Please find the supply list with this letter. We would like students to bring in these items as soon as possible. **Please note your student's backpack MUST FIT INSIDE his/her locker.**

In addition, please make sure you review the dress code, as it will be enforced beginning the first day of school. We are very strict in this area and would appreciate your help.

Our classroom is run on an independent level. Daily work is written on the board and the students are expected to write the assignments in their planners first thing in the morning. Once the work time has started, the students can work on their assignments in any order, as long as the work is completed. We believe this classroom setup is very appropriate for the Montessori environment. However, with this type of environment, the students need to exercise responsibility with their behavior and schoolwork. Please review with your child the importance of completing their assignments.

In order to help with communication, we would appreciate it if you would share your email address with us.

Whether you are a returning family or a new family, we are so glad that you will be joining our classroom family this year. We have many exciting activities planned and look forward to working with your child this year. We are looking forward to an exciting, educational year and wish you a healthy, happy summer.

If you have any questions or concerns, please feel free to contact us.

Sincerely,

Ms. Michelle King
