

## School Supply List

### Mr. Groeb

#### **Four different colored three ringed binders**

One for each core subject: Math, Science, Social Studies, and Language Arts.

Math- red

Social Studies- Green

Science- Yellow

Language Arts- Blue

#### **Four colored pocket folders**

Each color should buddy with a binder. These will hold worksheets and handouts.

#### **Number 2 pencils**

As many as the store has

#### **Blue or black ink pens**

NO RED INK!

#### **Basic Calculator**

You do not need an expensive scientific calculator, and dollar store calculators break the first week.

#### **One Package of 3x5 Cards**

#### **Several packages of standard lined paper**

These will be used inside the three ringed binders for taking notes and writing assignments.

#### **1GB Flash Drive**

These can be purchased at Staples, Best Buy, Office Max, Radio Shack, for \$10  
Eighth graders can use last years. (Please put your child's name on them)

#### **One box of colored pencils**

#### **One container of disinfectant wipes**

Kill those germs!

#### **One roll of paper towels**

When I say one, I mean two

#### **One box of Kleenex**

You will also be asked to supply specific literature books during the year. The first book has yet to be determined. All books I select can be checked out of most libraries and ordered used through Amazon.com. If you like them new, Borders is the place for you.

Students are allowed combination locks for lockers, as long as I have the combination. Some locks are too large to fit through the hole in our lockers, so hang on to those receipts.
