

Dear CMA Junior High Student and Family:

Welcome and Welcome Back to Mr. Kliger and Mrs. Long's class!

This is going to be a very exciting and busy year. We strive to be a community of independent learners who engage in positive social and community behavior and activities. Our students accept responsibility for their education and help design and choose the particular paths of their studies. We do a great deal of enjoyable and challenging team building and community service projects including: creating a design for the classroom; writing a class constitution; planning, preparing and serving breakfasts to the other junior high classes; and, doing school-wide morning announcements, to mention just a few.

Included in this packet you will find our supply list for next year, the school calendar, dress code, and other important information. Please take the time to review all of this material carefully.

We look forward to seeing you all in September. Until then, have a great summer!!

Sincerely,

Mr. Kliger & Mrs. Long
